"A musical portrait of Stalin," has described Shostakovich's primarily oppressive and sinister Tenth Symphony, his first in five years after a Soviet denouncement of his music. Composer Daron Hagen touts the performance of electric guitarist D.J. Sparr on his Electric Guitar Concerto as a "joyous, celebratory romp." *Desert Transport* portrays experiencing the sound sensations of a helicopter in flight.

D.J. Sparr, *electric guitar*
Fri Feb 2 @ 7pm
Clement House - 786 Delaware Avenue

The BPO hosts incredible guest artists each year in our Masterclass Series. These artists work one-on-one with talented local students in front of a live audience. All events are FREE with a required reservation.
